ORDER

This matter comes before the undersigned justice on the Appellees' Second Motion to Supplement Appeal Record and the Objection to the Appellees' Second Motion to Supplement the Record. The Appellees request supplementation of the appellate record with the "Brief on Common Issues" filed by the Appellees and the "Brief of Appellant" filed by Alliance Health Center in the trial court. The Appellees also request supplementation of the record with the "Brief of Appellant" filed by Central Mississippi Medical Center in another trial court case number. The Appellees have provided this Court with certified copies of these materials.

After due consideration, the undersigned justice finds that the Appellees' Second Motion to Supplement Appeal Record should be granted in part and denied in part. The motion to supplement the record with the "Brief on Common Issues" filed by the Appellees and the "Brief of Appellant" filed by Alliance is granted. The motion to supplement the record with the "Brief of Appellant" filed by Central Mississippi Medical Center is denied because it was filed in another case number and is outside the scope of Rule 10(e). The Appellees are directed to file the supplemental materials, certified by the trial court, on or before January 23, 2015. Any and all costs of filing the supplemental materials shall be borne by the Appellees.

IT IS THEREFORE ORDERED that the Appellees' Second Motion to Supplement Appeal Record is granted in part and denied in part. The Appellees are directed to file the "Brief on Common Issues" and the "Brief of Appellant" filed by Alliance Health Center on or before January 23, 2015.

SO ORDERED, this the 15th day of January, 2015.

DAVID ANTHONY CHANDLER, JUSTICE
